PRODUCT DETAILS

Europa MEGA glove care system*

Bottle size: 3 x 120ml

SKU:

The ultimate in glove care.

Follow our three step system - WASH. REFRESH. REVIVE. - and your gloves will last longer and perform better.

WASH: glove wash & prepare 120ml

Enhance the performance and longevity of your latex.

Removes dirt from the latex area of goalkeeping gloves using the exclusive DirTECH formula which lifts the dirt particles away from the latex, improves the surface and prepares the gloves for enhanced play and a longer glove life.

Recommend for use with gloveglu for enhanced glove performance and grip.

REVIVE: gloveglu MEGAgrip 120ml

- 25% stronger than gloveglu ORIGINAL
- Revive your old gloves. Improve your new.
- gloveglu enhances the grip of any goalkeeping glove with its unique formula.
- Can be applied before or during the game and is as equally effective in wet or dry conditions.
- Suitable for any type of goalkeeping glove palm.

REFRESH: glovefresh 120ml

Keep your gloves smelling fresh and odour free. Due to its unique antibacterial formula, glovefresh is guaranteed to remove all odours caused by bacteria growing in your goalkeeping gloves.

Unlike a perfume based spray that simply masks a smell, glovefresh works directly on the odour producing bacteria, eliminating them and the unpleasant smell.

You can't control how much your hands sweat... but you can fight the smell!

Keep your gloves smelling fresh. Neutralises smells and bad odours. Kills germs and prevents infection. Scientifically formulated to kill bacteria.

KEEP 'EM CLEAN

glove eco wash Kit

The ultimate planet friendly goalkeeper glove wash kit containing:

SKU: 900228

glove eco wash (250ml)

Biodegradable goalkeeper glove wash

An ECO-friendly glove wash that's kind to your gloves and the planet!

Using our unique plant-based formula glove eco wash penetrates the latex pores to remove the dirt and grime and help your gloves last longer and perform better.

pH neutral, and manufactured from renewable resources, glove eco wash supports our gloveglu green initiative to continue to innovate, improve our products and make them as sustainable as possible.

Keep 'Em Clean Sponge

A perfect way to clean your gloves and boots after a game.

Can be used to keep gloves and boots looking clean throughout their lifespan.

Recommended to use with KEEP 'EM CLEAN foama to ensure the best results all year round.

Microfibre Glove Towel

Perfect for on or off the field.

Can be used to keep gloves dry during match play or training, or to help dry your gloves when used with glove wash & prepare.

PRODUCT DETAILS

glove wash & prepare

Bottle size: 120ml

Bottle size: 250ml

SKU: 900442

SKU: 900444

Enhance the performance and longevity of your latex and keep your gloves clean and odour free.

Removes dirt from the latex area of goalkeeping gloves using the exclusive DirTECH formula which lifts the dirt particles away from the latex, improves the surface and prepares the gloves for enhanced play and a longer glove life.

Recommended for use with gloveglu to enhance glove performance and grip.

FEATURES:

- 120/250ml finger spray.
- Suitable for any type of goalkeeping glove palm.

DIRECTIONS FOR USE:

Immediately after play, spray glove wash & prepare onto the palm of each glove (spray 4-6 times).
Rub in the glove wash & prepare whilst wearing the gloves.
Wash the gloves under warm running water and continue to rub the palms together.
If the gloves are very dirty repeat the procedure.
Once the dirt has been removed, rinse the gloves in warm water and squeeze the excess liquid out.
Allow to dry naturally, away from direct sunlight.

PRODUCT DETAILS

KEEP 'EM CLEAN foama

Bottle size: 200ml

SKU: 900446

Enhance the performance and longevity of your goalkeeper glove latex and your football boot upper, with the scientifically formulated KEEP 'EM CLEAN foama.

Removes dirt using the exclusive DirTECH formula which lifts dirt particles away and prepares for enhanced play and a longer life.

FEATURES:

- Premium wash for dirty boots and gloves.
- Quick firing foam spray that easily covers every part of your glove and football boot upper.

DIRECTIONS FOR USE:

200ml finger foam.

Immediately after play, pump KEEP 'EM CLEAN foama onto the palm of each glove or the upper and outsole of the boot.

Rub in the KEEP 'EM CLEAN foama - ideally using the KEEP 'EM CLEAN sponge.

If the gloves or boots remain dirty, repeat the process.

Once the dirt has been removed, rinse the gloves or boots under warm water.

Remove any excess water and allow to dry naturally, away from direct sunlight.

PRODUCT DETAILS

KEEP 'EM CLEAN sponge

SKU: 500106

A perfect way to clean your gloves and boots after a game.

STOP 'EM SMELLING

PRODUCT DETAILS

glove fresh

Bottle size: 120ml

SKU: 900503

Keep your gloves smelling fresh and odour free.

Due to its unique antibacterial formula, glovefresh is guaranteed to remove all odours caused by bacteria growing in your goalkeeper gloves.

Formulated specifically for today's goalkeeper gloves, glovefresh works directly on the odour producing bacteria, thus eliminating both them and the unpleasant smell.

You can't control how much you sweat... but you can fight the smell!

FEATURES:

- 120ml finger spray.
- Suitable for any type of goalkeeping glove or, indeed, any sporting goods generally.
- Keep your gloves smelling fresh.
- Neutralises smells and bad odours.
- Kills germs and prevents infection.
- Scientifically formulated to kill bacteria and improve overall hand health.

DIRECTIONS FOR USE:

- Shake well before use.
- Spray inside each glove 2-3 times (or more if required).
- Allow to dry.
- Reapply as required.

PRODUCT DETAILS

STOP 'EM SMELLING spray

Bottle size: 250ml

SKU: 600102

Not an odour cover-up. An odour eliminator for footwear and equipment.

STOP 'EM SMELLING organic odour control will help you love your footwear again.

The self-activating organic enzymes within the spray break down sweat into odour-free water and CO2. The process is 100% natural, hypo-allergenic, earth and water friendly.

The more you sweat the harder it works!

Using the World's only plant-based moisture management system, our organic solution moves moisture away from your foot, reducing the chance of blisters, and greatly reducing drying time

FEATURES:

- 250ml finger spray.
- Can be used on any type of shoe such as trainers and boots.
- Can also be used on your gloves, bags and more.

DIRECTIONS FOR USE:

- Shake well before use.
- Spray as required on chosen footwear or equipment.
- Allow to dry.
- Reapply as required.

PRODUCT DETAILS

FRESH 'N' DRY deodorizer

SKU: 500107

The perfect way to dry boots or gloves without direct heat.

FEATURES:

- Helps to keep unwanted odours in check
- Filled with moisture absorbing bamboo charcoal that works to keep your gear FRESH 'N' DRY.
- Removes odours and prevents the build up of mildew and bacteria. Ideal for sports gloves, shoes, bags and more.
