**SPRING / SUMMER 2024**

**OUTDOOR**

054-2848 **OPTIMA 2 DX TREKKING BOOT**

L29

Updated version of Halti's premium Optima trekking boot is technical and protective waterproof boot for proper hiking and trekking in difficult terrain. Upper is durable nubuck leather, with rubber reinforced toe, and soft cushioned full grain leather collar. DrymaxX membrane on brushed textile lining keeps feet dry in any weather, and Vibram's new trekking outsole combines durable and grippy rubber outsole and light PU midsole. This boot is made in Europe from local materials.

**SIZE:** 36 - 37 - 38 - 39 - 40 - 41 - 42 - 43 - 44 - 45 - 46 - 47

**MATERIAL:**  
nubuck leather  
95% leather 5%rubber  
Textile  
100% PES  
DrymaxX®  
100% PU  
100% Synthetic

**OUTSOLE:** Vibram Trek  
**FOOT BED:** Removable, anatomically designed insole  
**WEIGHT:** 1 kg

**FEATURES:**

- Ankle length lace-up trekking boot
- Waterproof DrymaxX® membrane

V26

Neva is sporty looking, and feeling, slide type unisex sandal. Upper design is very simple, with adjustment strap for comfy and snug fit. Cool Lycra lining feels nice against bare skin. Sole unit is like in running shoes - very comfortable and well cushioned. Ergonomically mould EVA footbed, and shock absorbing Phylon midsole soften the steps, and TPR reinforcements on outer sole give little bit of grip.

054-2996 **RELA JR SUMMER SHOE**

C85

V26

Rela is cross-over of sandal and sneaker, good choice for hot summer days and vacations. Unlike sandal it gives some support on heel, and protects toes during outdoor games and play. Yet it's light weight and cool like sandal. Easy to dress with single Velcro strap. Midsole is light and flexible EVA, with TPR reinforcements on outsole for added grip and durability.

**SIZE:** 26 - 27 - 28 - 29 - 30 - 31 - 32 - 33 - 34 - 35 - 36
